

BREAK OUT of the BOX!

CK Valenti Designs 5th Annual Design and Build Challenge

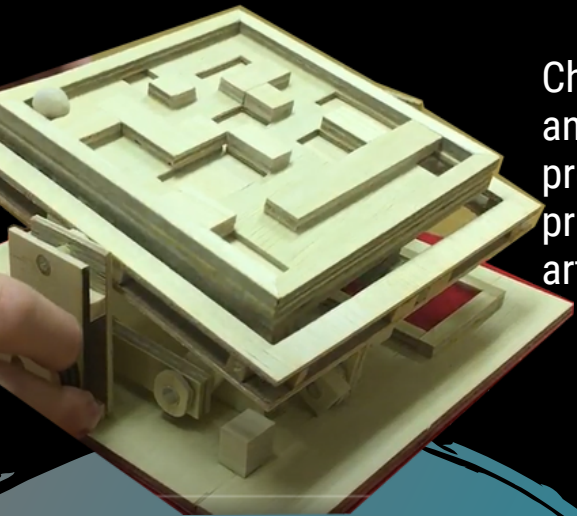

2021

CALLING ALL 6TH - 8TH GRADE BUILDERS, DESIGNERS, ENGINEERS & ARTISTS!

Break Out of the Box! is a FREE design and build competition that challenges your creativity and showcases your ingenuity!

HOW DOES THE CHALLENGE WORK?

We provide you with a box of building materials and three weeks to build whatever you can dream up. On Challenge Day, you present your creation for judging by a panel of judges from the building, design, and art industries.

KEY DATES

Registration begins October 1

Box pick up: October 23

Challenge Day: November 13

WHAT IS CHALLENGE DAY?

Challenge Day is a free, family-friendly event including lunch and activities at our workshop. Challenge day ends with the presentation of awards to our winners, along with awesome prizes like huge Lego sets, real hand tools, and professional art materials.

WHAT INSPIRED THIS EVENT?

We are a Chandler-based fabrication company passionate about making the creative trades a first class career option for today's students. We believe by supporting hands-on experiences for kids to build real stuff, we will help open opportunities for kids to explore creative careers.
